This article originally published with an error in the abstract (Berman 2023). The final section of the abstract originally read:

Drawing on long-term ethnographic fieldwork, Berman illustrates how a new generation of Rwandan youth is transforming political genocide ideology by creatively engaging the discourse of *ubunyarwanda* (Rwandanness) to forge inclusive post-genocide politics.

It should correctly read:

Drawing on long-term ethnographic fieldwork, Berman illustrates how a new generation of Rwandan youth is transforming political ideology by creatively engaging the discourse of *ubunyarwanda* (Rwandanness) to forge inclusive post-genocide politics.

The original article has been updated. The publisher apologizes for this error.
