

## Data Sharing Statement

Tran. Prevalence of 12 Common Health Conditions in Sexual and Gender Minority Participants in the All of Us Research Program. *JAMA Netw Open*. Published July 31, 2023.

doi:10.1001/jamanetworkopen.2023.24969

### Data

**Data available:** Yes

**Data types:** Deidentified participant data

**How to access data:** Analytic datasets are available in the All of Us Researcher Workbench for researchers with controlled tier access: [researchallofus.org](https://researchallofus.org)

**When available:** With publication

### Supporting Documents

**Document types:** Statistical/analytic code

**How to access documents:** Relevant R code will be made publicly available through the All of Us Research Workbench: [researchallofus.org](https://researchallofus.org)

**When available:** With publication

### Additional Information

**Who can access the data:** Data will be available to investigators with control tier access through All of Us Research Workbench.

**Types of analyses:** Analyses are available for replication purposes.

**Mechanisms of data availability:** Data will be made available to those after a data use agreement between All of Us and their institution has been approved. This will grant researchers controlled tier access to the analytic data.
