Home

My Care

Hospital

VERMYLEN, MD, JULIA L.

Attending Doctor

The attending is the doctor in charge of all the care you receive; they will work with you and the rest of the healthcare team to identify the best treatment plans and goals.

Rogalla, Heidi

Nurse

Nurses perform routine patient care activities and give updates to the healthcare team about how a patient is feeling. Let them know if you need anything.

KAMATH, SUNEEL

Resident

Residents are doctors that are training to become attending physicians; they can do everything the attending can, but will talk to the attending before any changes in your care are made.

WHITSETT, MAUREEN

Intern

Interns are doctors in their first year out of medical school; they are training to become residents and perform many of the same duties.
